

PRISONER OF MOB, MERRITT GETS FREE BY ROSE

Westchester Supervisor
Held Up by Italians
Springs Surprise.

(Special to The Evening World.)
WHITE PLAINS, N. Y., June 27.—Superior Court Judge, who has the contract for the construction of five sections of the New York and Port Chester Railroad, had an exciting experience today at Harrison-on-the-Sound, when he was held up by a mob of 10 Italian laborers who threatened to kill him if he did not accede to their demands.
The men became enraged at Mr. Merritt because he discharged three of their number and went on strike. Merritt drove over to Harrison shortly before noon, intending to settle the trouble, but when he reached the place he found the mob waiting for him. Merritt had no money with him at the time and tried to tell them so, but they would not listen. An angry mob formed about his runabout and when he tried to drive away they grabbed the horse by the bridle and held him fast.
Reporting to a ruse the Supervisor told the crowd that if they would let him go to the house of Dr. Miller, on the Post road, and use the telephone he would send for enough money to pay them off.
On this promise they let him go to the Miller place and under Sheriff Lane on the phone and asked for help.
The Italians composing the guard could not understand English and were completely taken by surprise when Lane and Deputy Kuss with drawn revolvers dashed up in an automobile.
On the approach of the officers the strikers fled, but Sheriff Lane succeeded in capturing two of the ringleaders and bringing them to the White Plains Jail, where they are being held on the charge of holding a riot.

FRIENDS WELCOME NEW MAGISTRATE

Surrounded by Flowers Fin-
elite Presides for First Time
in Yorkville Court.

Magistrate Alexander Finelite, appointed to succeed former Magistrate Pool, was warmly welcomed by friends who had assembled in the Yorkville Court this morning.
The Magistrate's desk was covered with flowers, and one especial floral horseshoe, which was fully six feet high, attracted much attention.
This was sent by the John Ahearn Association of the Fourth Assembly District, of which the Magistrate is a prominent member.
Lawyer Meyer Greenberg, in speaking for the lawyers practicing at the Court, congratulated Magistrate Finelite on his appointment, and wished him as much success as a Magistrate as he had met with as a lawyer. Mr. Greenberg said Magistrate Finelite was always fair and just to his clients, and he had been brought up on the east side and knew its conditions.
"He is the right man in the right place," went on Mr. Greenberg, "and we know he will temper justice with mercy. I trust I shall live to be present at his elevation to the Supreme Court."
The Magistrate thanked his friends in a few words, and then proceeded to deal with a large number of drunks and disorders, in the majority of cases declaring the offenders with a reprimand, telling them to buy food and clothing for their family instead of rum.

FOUR MUST DIE FOR ATTACK ON BRITISH.

CAIRO, Egypt, June 27.—The trial of the natives concerned in the attack June 12 on the party of five British officers while the latter were pigeon shooting at the village of Demshawa, near Tanah, resulting in the killing of one of the officers, Capt. S. C. Bull, of the Sixth (Hunting) Dragoons and the serious maltreatment of the others, has resulted in four natives being sentenced to death, four to penal servitude for life, three to fifteen years' penal servitude, six to seven years and three to one year and five to receive fifty lashes.
Thirty-one of the accused were acquitted.
The execution and the flogging will occur at Demshawa. All the men sentenced to death will be hanged by turns on one gallows in the presence of the villagers.

BOY DROWNED IN BIG JEROME PARK RESERVOIR

Police and Citizens Grap-
ple for Body in City's
Water Supply.

Police and citizens were dragging the great Jerome Park Reservoir this afternoon for the body of eight-year-old Angelo Bernachio, of No. 40 Villa avenue, who was drowned there while swimming with his playmate, Joseph Zippio, also eight years old, of No. 121 Villa avenue. Neither of the boys knew that they were violating the law when they plunged into the great body of water which supplies the mains for the upper section of the city.
Nobody was present when the boys took their swim, and it was not until little Joseph Zippio screamed for help that several men came to the rescue. Both boys had suffered cramps, and the young Bernachio had gone down for the last time, while Zippio was nearly overcome with pain.
Police of the Kingsbridge station started work with drag-nets and boats and were aided by many persons in the neighborhood. The water is thirty feet deep at the point where the boys entered near Two Hundred and Fourth street and Jerome avenue.

PLEA OF GUILTY IS CHANGED BY KLEINS

Diamond Brokers Feared Sen-
tence and Will Stand Trial
for Grand Larceny.

When brought in for sentence to-day Joseph and Morris Klein, members of the Maiden Lane diamond firm which failed for \$50,000 last fall and later pleaded guilty to grand larceny in the second degree before Judge Otto Rosensky, in Part III, General Sessions, sprung a surprise by asking permission to change their plea.
Klein Bros. failed last fall, and eight indictments were brought against them by the Grand Jury, charging that the brothers obtained diamonds under false pretenses and pawned them. On June 3 the Kleins pleaded guilty of grand larceny in the second degree. They were to be sentenced to-day. A petition signed by 155 members of the diamond trade asked that the maximum sentence be imposed.
In court to-day the Kleins asked permission to plead not guilty, saying that they had been promised liberty on suspended sentence if they pleaded guilty. They refused to name the person who had made this promise, in spite of Assistant District Attorney Not's insistence. Judge Rosensky allowed them to change their plea after assuring them no money would be shown them in case they are convicted.

Unmatchable Picture Bargains

The Lowest Regular Prices Have Been Unmercifully Slashed

There's never a time in the whole year when a picture bargain is unseasonable. But there are two occasions in each year which are our special bargain seasons in pictures. One of those occasions is NOW.

We find it inadvisable to keep pictures too long—with the best care they are likely to get rubbed or dulled by handling or in storage. And so we clean up the stock twice a year—often selling some fine engraving or popular print at a bargain price merely to turn around next day and buy the same thing at full price from the producer. But we keep our stock up-to-the-minute that way, and CLEAN.

Don't get the idea from this that these are damaged pictures we are offering. You may find an occasional mark or scratch, but nothing to hurt them any. We are selling them only in accordance with our custom which limits a picture's stay here to a certain time—and these have outstayed their limit.

Magnificent assortment—come and look it over.

- Pretty Colored Pictures in gilt frames and a choice assortment of carboys in dark wood frames. Some are 50c values; to-morrow. **22c**
- Colored Pictures in green and gilt, or mahogany and gilt colored frames. Good assortment of subjects. **39c**
- Colored Pictures in 14-inch gilt frame, matched metal corners; choice lot of subjects; formerly 75c; reduced to. **50c**
- Etchings in gilt frames, matched metal corners; each matted; regular 75c value. **59c**

Women's \$3 Shoes for \$1.50

If you have not yet taken advantage of this exceptional opportunity to get a real good pair of shoes for little money, you had better do so at once. Women have discovered what real values these shoes are, and they are selling fast. These shoes are samples, mostly from two of the best factories in the country. The only reason for selling them at such a low price is that they are high shoes, but most women don't object to high shoes when they can save \$3.50. Even if you don't want to wear them now, get them and save them until Fall. That is a good investment. All sizes, but the finest are in 3 1/2, 4 and 4 1/2. Remember, **\$1.50** a \$5 value, for only. **\$1.50**

It seems to have the precious quality of adapting itself becomingly to all kinds of builds and figures. Besides that, it is an exceptionally well-cut and well-made suit in an extra good grade of granite cloth.

We have picked up 300 of these suits, exactly like those we formerly sold at \$2.50, which we can offer at considerably less money. Of course, all that were left of our original \$2.50 lot have had to have their prices cut to correspond. All sizes now **\$1.95** at. **\$1.95**

The Fun of a Talking Machine

The best fun of a talking machine is never fully appreciated until you have it to fall back on when you are not feeling especially funny. On these lonely evenings, for example, when the family is away, a talking machine and a few new records will make the time to bedtime flash by on wings.

But, after all, is there any time when good music—chosen to fit your mood—crashing, inspiring marches, jolly songs or thrilling opera selections—is NOT enjoyable?

It will not cost you much to get all this. We sell either Victor Talking Machine or Edison Phonograph

On Our \$1 a Week Payment Plan with 12 records of your own selection.
